SI No. SEBA/IT/AWS/2022/48

Dated 2<sup>nd</sup> Aug, 2023

### NOTIFICATION

It is for the information of all the Schools affiliated under SEBA that,

1. In regard to the Marks Entry Portal the last date of entering marks of the Unit Test I of Class X has been extended till **15<sup>th</sup> Aug 2023**.

For all the **regular students (Registered in the year 2022)**, the marks of Unit Test I of Class X has to be entered in the Marks Entry Portal. If for any student, registered in 2022, marks of Unit Test I is not entered in the portal, then he/she will be deemed to be failed in Class IX.

All Schools are directed to complete the Marks Entry of Unit Test I urgently.

2. For the candidates who were unsuccessful in the **HSLC Compartmental Examination, 2023**, schools are directed to give re-admission in Class X.

For such students, Schools may enter their **marks from Half Yearly Examination**, after the portal is opened for capturing the Half Yearly Examination marks. School has to add the student in the portal at that time. For such candidates marks of Unit Test I is not required.

3. **Add option** has been provided in the Marks Entry Portal. School may add student, if the student is transferred from a different school. This will be auto verified by the system. Please note, School has to always transfer the Registration card if any student is transferred from a different school.
4. **Delete option** has been newly provided in the Marks Entry Portal. In case of any failed candidates or transferred candidate, the school will be able to delete those candidates who are not present in the respective school in Class X.
5. **Update option** has been provided in the Marks Entry Portal. In case of subject change, Registration card has to be corrected first by applying online in **sebaservices.in**. After that, School may click on the Update option, provided in each student's profile in the Marks Entry Portal. Subjects will be updated automatically as per the corrected Registration card.
